

924s/944 parts for sale

Posted by cbuzzetti - 30 Apr 2010 09:29

EuroProducts performance chip for 924s/944 28 pin with instructions. I have no idea what if any gains are made or claimed with this product. It came with the last car I bought and was not installed. Not legal for Spec944 but should be fine for 944Cup or street/track use. \$60 shipped.

send me a PM through this board.

Charlie
