

Noob needs help/advice w/front struts

Posted by LanceR - 11 Apr 2010 10:36

Got a smoking deal on an '83 944 ITS racer that needs adjustable front struts and I need advice on what works best and where to get them.

Thanks in advance,

Lance in Northern Illinois

yeah Paragon has the best stuff. I got the coilover set with 400# springs for \$250. I already had the Koni struts though.
